**City of Estevan**  
 Annexation & Future Growth Plan

Legend: — City Limits       Proposed Area  
— Highway Bypass

Proposed Areas:		
SW	Sec 34	280 acres
SW	Sec 33	230 acres
EW	Sec 25	320 acres
LSD 10 & 15	Sec 24	75 acres
<b>Total</b>		<b>965 acres</b>

The reasons for the proposal are:

1. There is a need to secure future developable land for the next 30 years so that the City can plan and implement a future growth plan.
2. The recent population growth and residential development has pushed expansion to the City boundaries. It is now vital to secure land beyond the City's boundaries for future development.
3. The City of Estevan has limited growth potential as to the direction in which development can take place beyond its current limits without running into conflicting land use or environmental hazards.
4. The development of the Highway 39 Bypass has had a significant impact on land development in the region and as the City expands towards this area it needs to secure the land in face of competing interests.

A public meeting will be held on **Monday, October 23<sup>rd</sup> at 6:00pm** at City Hall to discuss the proposal. Any persons who wish to object to the proposed restructuring may file a written objection, stating clearly their reason for their opposition, with the City Clerk's Office, Legislative Services, City Hall, 1102 Fourth Street, Estevan, Saskatchewan, S4A 0W7

A written notice of objection must be received by the administrator by October 18<sup>th</sup>, 2017. The complete proposal may be viewed at the City of Estevan office between 8:00 am and 4:30 pm Monday through Friday.

*Dated at the City of Estevan this 11<sup>th</sup> Day of September, 2017*
