

Dust Control Application and Indemnity Agreement
Application and Payment Deadline: May 1, 2026

Applicant Information:

Name: _____ Division No. _____

Address: _____ Postal Code: _____

Cell Phone: _____ Email: _____

Legal Land Location: Quarter: _____ Section: _____ Township: _____ Range: _____ W2

Special Instructions: _____

In accordance with the R.M. of Estevan's Dust Control Policy, I agree to the following terms and conditions:

1. The dust control area will be approximately 500 feet adjacent to my property.
2. I/We agree to pay the R.M. \$300.00 for one (1) application of Dust Control, and the unsubsidized rate for any additional length I request.
3. **I/We request and agree to pay the R.M. the unsubsidized rate of \$645.00 for a second application of Dust Control for residential sites. _____ (initial)**
4. I/We acknowledge payment must be made in full prior to the application(s) of dust control, at the time this application is signed and submitted to the R.M. Any unpaid amounts as of December 31st, will be added to my tax card.
5. I/We acknowledge and agree that should the surface of the dust control area become rough and rutted and deteriorate to the point where the R.M. is of the opinion that the road is becoming unsafe for travelling public, the R.M. reserves the right to make the decision to grade the dust control area.
6. I/We acknowledge and agree that should the dust control area require grading by the R.M. the effectiveness of the dust control product may be negatively impacted and may render the dust control ineffective.
7. I/We acknowledge that dust control is only an aid and not a solution to dust problems. The effectiveness of the dust control depends on many factors such as weather (*a significant rainfall shortly after the application of the dust control, may wash out the product before proper penetration and may reduce the effectiveness of the dust control product*) road conditions and traffic volumes on the road. The R.M. of Estevan does not guarantee the effectiveness of dust control. No refunds will be made.
8. I/we acknowledge that the R.M. will grade the dust control areas in the fall of the year when required to prepare the site for the winter months.
9. I/we Acknowledge that any request for dust control received after the May 1st Deadline will be charged at the full cost of the product.

I/We, have read the above regarding dust control application and hereby request the R.M. of Estevan No. 5, to co-ordinate and provide dust control services on the road adjacent to my/our property.
